Our Core Values

**Inclusivity**
We recognize and respect diversity, engaging within our differences, and striving for all to feel valued and supported.

**Respect**
We foster a supportive environment that upholds personal dignity through interactions characterized by integrity and courtesy.

**Leadership**
We cultivate our own strengths and the strengths of others in pursuit of excellence and shared goals, taking responsibility for creation of desired futures.

**Compassion**
We seek to understand and respond to the needs and suffering of humanity through action-oriented caring.

**Courage**
We think creatively and act with commitment and integrity even when it is difficult.

**Well-being**
We focus individually and collectively on promoting all aspects of health in our work, study and personal lives.
Leading the Pursuit of Nursing Excellence

Our Mission

- We advocate for tangible change through innovations in education, research and practice.
- We lead and collaborate to promote health across the lifespan.
- We engage stakeholders and partners to transform the well-being of individuals, families and communities.
